be funded are coordinated, as appropriate, with activities proposed for funding under sections 106 and 205(j) of the Clean Water Act.

WATER QUALITY MANAGEMENT PLANNING (SECTION 205(J)(2))

§35.350 Purpose.

Sections 205(j)(2) and 518 of the Clean Water Act authorize assistance to States (as defined in section 502 of the Act) and to eligible Indian Tribes to carry out water quality management planning activities. Some of these activities may be eligible for funding under sections 106 and 205(g) of that Act. (See §§35.250 and 35.300.) Program requirements for water quality management activities are provided in 40 CFR part 35, subpart G. The purpose of 205(j) funds includes, but is not limited to, the following.

(a) Identification of the most cost-effective and locally acceptable facility and nonpoint measures to meet and maintain water quality standards.

(b) Development of an implementation plan to obtain State and local financial and regulatory commitments to implement measures developed under paragraph (a) of this section.

(c) Determination of the nature, extent, and causes of water quality problems in various areas of the State and interstate region.

(d) Determination of those publicly owned treatment works which should be constructed with Federal assistance, in which areas and in what sequence, taking into account the relative degree of effluent reduction attained, the relative contributions to water quality of other point or nonpoint sources, and the consideration of alternatives to such construction.

(e) Implementation of section 303(e) of the Clean Water Act.

§35.355 Maximum Federal share.

The Regional Administrator may provide up to one hundred percent of the approved work program costs.

§35.360 Limitations.

(a) The Regional Administrator will not award section 205(j)(1) funds to a State agency unless the agency develops its work program jointly with local, regional, and interstate agencies and gives funding priority to such agencies and designated or undesignated public comprehensive planning organizations to carry out portions of that work program.

(b) The Regional Administrator will not award section 205(j)(1) funds to a State agency which does not report annually on the nature, extent, and causes of water quality problems in various areas of the State and interstate region.

(c) The Regional Administrator will not award section 205(j)(1) funds unless the work program submitted with the assistance application shows that the activities to be funded are coordinated, as appropriate, with activities proposed for funding under sections 106 and 205(g) of the Clean Water Act.
